

## NOTICE TO RESIDENTS

### SNOW REMOVAL AND WINTER PARKING

Residents are reminded that restrictions on snow removal and street parking are in effect during the winter months.

**Please do not deposit snow on public roadways.** Pushing or blowing snow and ice onto or across public roadways creates an unsafe situation for drivers and can be punishable by fine under **Section 181 of the Highway Traffic Act**.

**Please do not leave vehicles parked or standing on a public roadway.** By doing so, you create an unsafe situation for drivers and interfere with traffic movement and snow removal efforts.

Pursuant to the Town's ***Parking and Traffic By-Law 4308-09, and the Repair and Storage Liens Act R.S.O. 1990 c. R25***, Enforcement Officers will be serving parking infraction notices and towing away any vehicle found parked on public streets in Niagara-on-the-Lake as follows:

- Directly interferes with traffic movement or snow removal
- In excess of 12 hours at any one time
- In contravention of "No Parking" zones
- Within 10 metres of an intersection
- Within 3 metres of a fire hydrant

Please be a good neighbour and consider the safety of other road users.

**We also ask parents to remind their children** to be aware of snow plowing operations and the hazards posed by extreme winter driving conditions, such as reduced visibility and increased vehicle stopping distances.

Thank you for your cooperation.
