

RAMP UP YOUR BUSINESS

StopGap Foundation is helping communities discover the benefit of barrier-free spaces and providing the support to create them. Our brightly coloured, portable access ramps remove physical barriers caused by single-stepped locations AND raise awareness about the importance of a society free of environmental and attitudinal barriers.

PURCHASE A COLOURFUL, DEPLOYABLE ACCESS RAMP FOR YOUR SINGLE-STEPPED ENTRYWAY!

StopGap ramps are:

- Custom-built to fit single steps between 2" to 9" high
- Available in RED, GREEN, BLUE, or YELLOW
- Made using exterior grade plywood and lumber
- Painted with a textured paint to provide slip resistance
- Priced between \$300-\$475 depending on step height, with additional fees based on delivery preferences

Scan the QR code on the left to request a ramp for your business!
